Dear valued members of the PES Young Professionals Programme,

We are excited to announce the start of the new edition of the PES Young Professionals Programme 2025/2026 and would like to invite interested **students from our programme member universities to participate in an upcoming information session.**

This session is designed to provide the students with comprehensive details about the programme, including:

- Insights into the daily business life and work at the EPO
- Experience shared by current Young Professionals, from business tasks to social gatherings
- Answers to any questions the recruitment process, selection, and other relevant topics

This info session will be held online on **Wednesday 18<sup>th</sup> of December at 12:00 – 13:00 CET.**

**Your students can access through a short registration here:** [https://epo-org.zoom.us/webinar/register/WN\\_8ijMW71QRH-0vSUAyvyj-Q](https://epo-org.zoom.us/webinar/register/WN_8ijMW71QRH-0vSUAyvyj-Q)

To make this opportunity accessible to interested students, please find attached an advertising flyer, including a link for students to register for the session. We kindly ask for your support in promoting this event among your students!

Additionally, we would like to emphasize that one of the prerequisites for students to be considered for the programme is that they are shortlisted by a programme member university. To facilitate this process, it is crucial that students know whom to contact at your university for questions or applications related to the programme. Please make sure to add this information in the promotion email/landing page.

Thank you for your continued support. Should you have any questions or require further information, please feel free to reach out.

We look forward to engaging with your students during the session!

Best regards,  
Spela & Alena

On behalf of the Young Professionals Programme at the EPO
